## Group Approves Gas Tax in Slap at Rayburn

WASHINGTON (AP) — The House Ways and Means Committee today voted down a compromise proposal to solve the highway financing crisis.

The committee by a 16-0 vote, reaffirmed its previous action for a 22-month 1-cent a gallon increase in the federal gasoline tax.

It turned down by a vote of 15-12 Rayburn's compromise which would limit the penny increase in the gas tax to one year instead of 22 months.

It was a slap at Speaker Sam Rayburn (D-Tex.).

At his insistence, the House Ways and Means Committee meets today to reconsider a plan it had approved earlier. This plan, which would boost the present 3-cent tax a penny a gallon for 22 months, has run into strong opposition in the House. Rayburn proposed cutting the period to 12 months.

Both the original committee plan and the Rayburn compromise differ from the request of President Eisenhower. He had asked Congress to raise the tax 15 cents a gallon for five years.

Since the penny increase would bring in half a billion dollars a year or less revenue than the proposal of the President, both the Rayburn and committee plans would make this up by taking 500 million dollars a year from the government's general revenues.

This would begin in 22 months under the original committee proposal and in 12 months under the Rayburn compromise.

Unless Congress agrees on ways to get the program out of the red for the next few years, construction on the 41,000-mile interstate network will soon come to a halt.

## Ike's Purpose in Tour to Pledge West Unity Against Aggression

### Plane Wreck in 1951 Found in Canada

CAMPBELL RIVER, B.C. (AP) — The wreckage of a United States Neptune bomber and skeletons of its 11 occupants was found today on a mountainside near this Vancouver Island community.

It was believed to have crashed in 1951.

A Royal Canadian Air Force search party made the report in a terse radio message from the 4,000-foot level on Mount McCleight.

The ground party from Comox RCAF base went to the area Monday after Cpl. W. H. Glover, an airman, reported seeing the wreckage while fishing at Roberts Lake.

In a message to an airfield overhead, the search party said the plane appeared from documents at the scene to have crashed in 1951. Reports show a Neptune disappeared in the area in 1948 but no such plane was reported missing in 1951.

RCAF officials said positive identification would not be possible until the searchers returned to Comox later today.

Another United States Neptune was discovered wrecked on the same mountain in September 1951, and was identified as one reported missing a year earlier with 11 persons aboard. Only nine persons were believed aboard the plane which disappeared in 1948.

## To Emphasize America Wants Honor Peace

By MARVIN L. ARROWSMITH  
WASHINGTON (AP) — President Eisenhower said today one purpose of his trip to Europe is to pledge Western unity "in opposing, by force if necessary, any aggression" against the allies.

The President also told a news conference that on his trip, starting Wednesday, he wants to pledge Western unity "in opposition to peace with honor and justice."

Eisenhower met with newsmen about 11 hours in advance of his scheduled departure for conferences with leaders of West Germany, Britain and France.

His talks with them will be a prelude to his discussions with Soviet Premier Nikita Khrushchev in Washington starting Sept. 15, and to his own planned visit to the Soviet Union later in the fall.

On the trip to Europe, Eisenhower will meet first in Bonn with West Germany's Chancellor Konrad Adenauer; in Britain with Prime Minister Harold Macmillan, and in France with President Charles de Gaulle.

At the outset of today's session with reporters, Eisenhower announced he wanted to read a statement.

Reading from it, he then said his trip to Europe has several purposes, and added that one is: "To pledge, once again, in several capitals I shall visit, America's devotion to peace with honor and justice."

In clear words of caution obviously directed to the Soviet Union, the President said a further purpose of his journey is: "To support Western unity in opposing, by force if necessary, any aggression; and to preserve the defensive strength required for our common security."

Besides their caution to Russia, the President's words seemed intended also as reassurance to Adenauer and De Gaulle — both of whom reportedly have misgivings about the President's forthcoming talks with Khrushchev — that under no circumstances will he make any deals behind their backs.

In his statement, Eisenhower said further that he intends to suggest to the Western leaders that the allies "restate our readiness to negotiate realistically with the Soviets on any reasonable and mutually enforceable plan for general or special disarmament."

President Eisenhower also called for "a real beginning toward solving the problems of a divided Germany," and new efforts to ease world tensions.

## Bomb Blasts at Little Rock School Yard

LITTLE ROCK, Ark. (AP) — A homemade explosive device blew up outside newly integrated Hall High School Monday night, drawing a swarm of police to the scene.

There was no damage and no one was hurt. The blast apparently was a teenage prank.

Police grabbed two young white brothers as they ran up a hill from the school, where three Negro girls have attended since Aug. 12. Names of the boys were not released.

One boy, 17, told police he and his brother, 13, made the bomb from aluminum sulphate they had purchased at Taipei, Formosa, where they lived while their father — a colonel — was stationed there with the air force. They made the device with a glass pin jar.

The older boy said his family had stopped at Little Rock to visit relatives while on route to a new Air Force assignment at Whiteman Air Force Base, Sedalia, Mo. A third youth, their cousin, who "came along for the ride" in the incident, is a senior at Hall. He told newsmen he had nothing to do with the prank.

## Washington Grade School Opens Sept. 3

The lunchroom will open Sept. 14 and serve meals for 15c a day. Milk will be served at morning and afternoon recess for 1c a bottle.

## Newspaper Franchise at Arkadelphia Asked

LITTLE ROCK (AP) — Four Pine Bluff men have incorporated a firm to establish a newspaper at Arkadelphia.

Incorporators of the new Arkadelphia Publishing Co. are E.W. Freeman Jr., Gordon N. Freeman, Armistead Freeman and E.W. Freeman III. They publish the Pine Bluff Commercial.

The company's charter did not say whether the paper will be a daily or weekly. E.W. Freeman said he had no announcement on the new firm at this time.

Articles of incorporation were filed at the office of Secretary of State C.G. Hall. The company is authorized to issue 1,000 shares of stock at par value of \$100 each.

Arkadelphia now has one daily newspaper, the Siftings Herald, and a weekly, the Southern Standard.

## Musical Program at Linns Club

Lion Jamie Russell, program chairman, presented Rev. W. C. Land, his son Bill, and Mr. and Mrs. Eddie Mosier at the weekly luncheon, Monday at the Diamond Cafe. Mr. and Mrs. Mosier, music directors for the Hope Gospel Tabernacle, presented several vocal selections. Rev. Land hurriedly drew a very colorful and inviting chalk sketch entitled "Haven of Rest," a picturesque reproduction of an appealing tropical island surrounded by palm trees with a small skiff moored in the distance with the sun falling below the horizon beyond a bank of wind clouds. They were accompanied at the piano by Rev. Land's son, Bill.

## Says U. S. May Look Into Laos Situation

WASHINGTON (AP) — Secretary of State Christian A. Herter has reportedly told several members of Congress that "the United Nations may take some part in what is going on in Laos before too long."

The report came from Sen. J. William Fulbright (D-Ark.) Monday after Herter briefed five members of the Senate Foreign Relations Committee and the five members of the House Foreign Affairs Committee at a private session in the State Department.

In the 75-minute session, Herter told the congressmen that the situation in Laos is a "very dangerous one" and he is "deeply concerned about it," Fulbright said.

Bulbright continued, Herter reported that the department has not received enough information to see clearly what is going on in the tiny Southeast Asian kingdom.

Meanwhile, the growing concern here over Laos was reflected throughout the government. Officials of several agencies attended a briefing on the situation by the Department of Defense.

## Students Toss Stones at P. B. Newsmen

PINE BLUFF, Ark. (AP) — A group of white students threw stones at newsmen and called them "nigger lovers" during fall term registration today at the majority-Dollaway School where integration of three Negroes has begun.

Five newsmen were covering the registration of new students at all-white Dollaway School.

Six boys of high school age were interviewed on the campus. Before it was concluded, an unidentified white man yelled from a nearby service station, "Don't talk to those nigger lovers, they'll get you to say anything."

Some of the boys — students Dollaway — replied the newsmen were not "nigger lovers."

The man insisted they were and the boys went to talk to him, a few minutes later they came back and talked in the street near the newsmen.

The boys shouted "nigger lovers" and tossed stones in the direction of the newsmen, who Continued on Page Two

## Thunderstorms Roll Across Arkansas

By THE ASSOCIATED PRESS  
Thunderstorms rolled across a large portion of Arkansas last night, disrupting electrical power at one place.

Heaviest rains were reported in southeast Arkansas as the storms moved from the southeast to the northwest. Electric power was knocked out for a time at Stuttgart and a transformer was damaged at Jacksonville.

Sawmill workers at Sheridan fought a waste fire in the face of high winds, which threatened to spread the flames to a lumber supply. The fire was brought under control.

The U.S. Weather Bureau said the squall line broke up after passing Little Rock. Partly cloudy skies were forecast for Arkansas today with scattered thunderstorms in the afternoon and evening.

High temperatures were expected to be between 90 and 95.

## Compromise Housing Bill Is Approved

WASHINGTON (AP) — The new billion-dollar compromise housing bill was approved today by the House Banking Committee.

The measure is a substitute for the 1,375,000,000 bill vetoed earlier this session by President Eisenhower.

The committee stamped approval on the Senate-passed housing substitute by a 19-4 vote, without hearings and without change.

The bill does not entirely satisfy committee Republicans who dislike a number of administration-opposed features. But Rep. Gordon L. McDonough (R-Calif.) indicated after the committee acted that there is little chance this late in the session.

Rep. Albert Ruess (D - Ala.), chairman of the housing subcommittee, said he planned to go directly to the House Rules Committee with a request for clearance to the floor.

Sponsors took the committee action as assurance of passing a housing bill before Congress goes home.

Negro Group  
Protests  
Court Ruling

LITTLE ROCK (AP)—The Negro plaintiffs in the Dollarway school integration case are appealing a decision that the 1958 and 1959 Arkansas pupil placement laws are valid on their face.

U. S. District Judge Axel J. Beck made the ruling here on Aug. 4.

But at the same time Beck held that the Dollarway School Board had prevented the admission of three qualified Negro students to the new all-white Dollarway School near Pine Bluff.

He ordered the Negroes admitted at beginning of the fall term Sept. 8.

The school board already had given notice of appeal to the 8th U. S. Circuit Court of Appeals of Beck's admission order.

Yesterday, attorneys for the Negro pupils filed notice of appeal of that portion of the decree holding the placement laws constitutional.

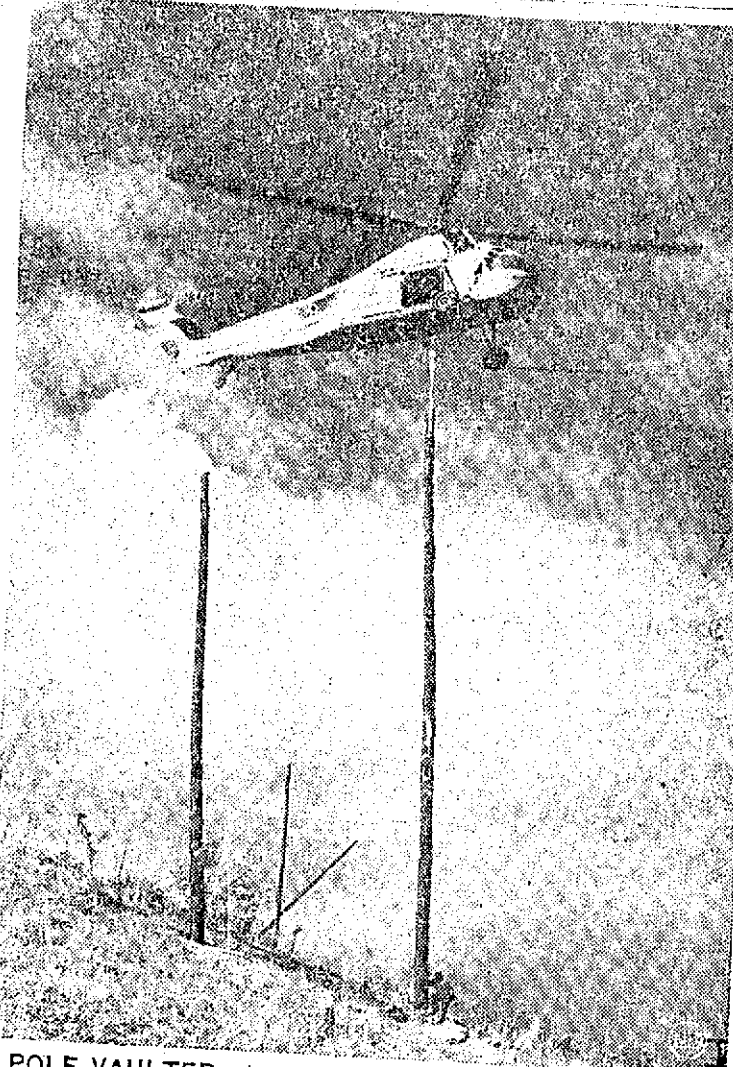

They contended that the laws are part of an overall plan of the state to avoid carrying out the U. S. Supreme Court's desegregation decisions.

The board is asking the appeals court to nullify Beck's order that it begin using the 1958 placement law, which like the 1956 act provides for assignment of pupils to specific schools for a number of reasons, including race.

The board took the position that the order was improper because it already was complying with the law.

The board also is seeking a temporary order to keep the Negroes out of the school until the appeal is decided on its merits.

Last Friday night Segregationists staged a rally at Pine Bluff in protest of the scheduled admission of the Negro pupils.

Nehru Warns  
China Against  
Invasion

NEW DELHI, India (AP)—Prime Minister Nehru warned Communist China today that India will defend the tiny protectorates of Bhutan and Sikkim against any invasion.

"Any infringement of their border will be infringement of our undertaking to protect the two little states," Nehru told Parliament, "and we shall certainly defend them against such intrusion."

Nehru replied to House members' questions about growing fears in the two Himalayan states adjoining Red-occupied Tibet. There has been a stream of unofficial reports that Peking is massing troops to the north of Bhutan and claiming that both the Indian protectorates rightfully belong to Peking.

Nehru said there had been some anxiety in the minds of authorities in both Sikkim and Bhutan since the Chinese smashed the Tibetan revolt last spring. He noted that Bhutan's Prime Minister Jigme Dorji is coming to New Delhi in a few days and said, "We will be meeting."

NLR to Vote on Two  
Bond Issues Sept. 15

NORTH LITTLE ROCK (AP)—The North Little Rock City Council last night set Sept. 15 as the date for a referendum election on two proposed bond issues.

One proposal is for a \$2,100,000 revenue bond issue to revamp the city electric distribution system. The other is for a \$4,600,000 issue that would permit annexation of all water distribution facilities in the city.

Both proposals have won Council approval but referendum petitions were circulated to get them before the voters.

The Council also voted to hire a secretary for civil defense and appropriated \$1,000 to pay his salary for the remainder of the year. The post, established in 1954, has been vacant for some time.

President to  
Meet Visiting  
Red at Airport

WASHINGTON (AP)—President Eisenhower said today he intends to meet Nikita Khrushchev at the airport when the Soviet Premier arrives here Sept. 15.

This resolved the protocol question of whether Khrushchev will be received as chief of state or as head of the Soviet government.

If he were to be received as head of government, under strict protocol, he would be welcomed by Vice President Richard M. Nixon.

There had been some indications previously that something a little short of the full No. 1 ceremony might be set up for Khrushchev.

The decision, however, was up to Eisenhower. He also gets a 21-gun salute (the count is 19 for a chief of government) and a display of his country's flags as he enters the White House.

Committees  
Plunge Into  
Labor Bill

WASHINGTON (AP) — Senate  
House conferees plunge into de-  
bate today on two of the most con-  
troversial sections of the labor  
control bill after reaching agree-  
ment on the Taft-Hartley provi-  
sions.

Up for discussion are secondary  
boycotts and organizational pick-  
eting, two of the three subjects on  
which the Senate and House ver-  
sions of the legislation are most  
sharply divergent.

The 14 conferees worked at two  
sessions Monday. When the after-  
noon session broke up, Sen. John  
F. Kennedy (D-Mass.), conference  
chairman, reported agreement on  
these points:

1. To accept the Senate provi-  
sion under which replaced strik-  
ers in a labor dispute would be  
allowed to vote, but limiting the  
right to the first nine months of  
the contract.

2. To knock out the Senate pro-  
vision setting up a procedure for  
prehearing elections in labor dis-  
putes. This was designed to elimi-  
nate delaying tactics sometimes  
used to stall elections on the ques-  
tion of union representation.

3. To reject a Senate provision  
excluding service assistants in the  
telephone industry from the dis-  
tinction of a supervisor, and thus  
make them subject to union mem-  
bership. It was not in the House  
bill.

The first of these makes a dent  
in a section of the Taft-Hartley  
law—a section once denounced by  
President Eisenhower as unam-  
biguous. Some employers strong-  
ly opposed eliminating it.

The prehearing election provi-  
sion also had administration sup-  
port but again was fought by some  
employers, especially retailers.

Motherwell Is  
Arrested at  
Atlanta, Ga.

ATLANTA, Ga. (AP) — Larry  
Lord Motherwell, object of a na-  
tionwide search, was arrested at  
the airport early today.

Motherwell, 43, was the object  
of a search by the FBI in con-  
nection with the disappearance of  
Pearl Ida Putney, 72, a prominent  
Washington, D.C., widow last Aug-  
ust.

FBI Director J. Edgar Hoover  
said Motherwell, using the name  
Craig DuBar Foster, was recog-  
nized by two FBI agents as he  
was about to take off on a flight  
for Cleveland, Ohio.

He offered no resistance and  
was unarmed.

Motherwell told authorities he  
had been living in Atlanta since  
mid-July and that he was unem-  
ployed. He was seeking a job as  
a salesman in Cleveland, the FBI  
said.

In June 1958, Mrs. Putney and  
Motherwell left here on a cross-  
country trip after she sold much  
of her property, the FBI said.

Approximately a fourth of a  
human, female skeleton, identi-  
fied as Mrs. Putney's, was un-  
earthed in Turner Canyon, Sierra  
County, Calif., Aug. 10, 1959.

California authorities issued a  
murder warrant for Motherwell  
and on Aug. 20, the FBI secured  
a warrant for the arrest of Moth-  
erwell for unlawful flight to avoid  
prosecution for murder.

Mrs. Putney was the widow of  
Albert H. Putney, longtime State  
Department official and university  
professor. She was reportedly car-  
rying about \$60,000 in cash and  
securities when she was last seen  
in August 1958, leaving a motel  
in Maryland, Calif., about 60  
miles southeast of the area where  
the body was found.

Home of Mrs. Don Westbrook, pres-  
ident.

At this time the club appointed  
committee chairmen and discus-  
ed projects for the coming year.

The hostess served coffee and  
donuts to the 12 members present.

The Hope Chamber of Commerce

Tourist Committee closed out a  
very successful ten week Welcome  
Tourist program last Thursday  
when they stopped and entertained  
Mr. and Mrs. John S. Beekman of  
Columbus, Ohio. During the past  
ten week period the committee has  
played hosts to people from eight  
different states and one who called  
Texas their home but had been on  
army duty in France and Germany  
for the past five years.

Mr. and Mrs. Beekman were re-  
turning to their home after having  
spent the past ten weeks in Mexico.  
Mr. Beekman is connected with the  
public school system of Dayton,  
having served as athletic director  
of Wilbur Wright High School for  
the past several years.

Assisting Chief of Police Jack

Brown in stopping the tourist of the

week were Raymond Byers and W.  
P. Parrish. Others participating in  
the program were Dewey Putnam,  
driving a new Mercury for the  
Trending Post, Oris Byers of Byers  
Gulf Station, Mr. and Mrs. John  
Harrie of Shipley's Studio, Jim  
City of Radio Station KNAR and  
Mr. and Mrs. C. W. Tarpley of  
Tarpley's Motel. Mr. E. L. Archer  
Jr., Mrs. Justine Hamlin and B. M.  
Holt accompanied the guests to the  
Rite Spot Cafe where all were  
served a delicious lunch by W. P.  
Parrish, owner of the cafe.

Those providing gifts were: Mil-  
dred's Pastries, Hope Basket Com-  
pany, Southwest Wood Products  
Company, Split Hickory Company,  
Bruener-Ivory Handle Company and  
the Chamber of Commerce.

Man Was Fishing

Out a Deposit

LITTLE ROCK (AP) — A watch-  
man at the Union National Bank  
thought there was something fishy  
when he saw a man running away  
from the night deposit chute.

Investigating, watchman J. L.  
Cooper found a piece of fishing  
line in the slot where depositors  
drop money and checks after  
hours.

When the chute was emptied  
yesterday, two more fishing lines  
were found with hooks stuck  
among the money bags.

Bank officials said the design  
of the chute would keep "fisher-  
men" from catching anything.

POTEAU, Okla. (AP) — A jail

36 hours in the rugged eastern  
Oklahoma mountain country has  
waived extradition to Iowa, where  
he faces trial on a murder charge.

Jefferson County officers arrested  
32-year-old Jack Hoskins of Rock  
Rapids, Iowa, south of here yester-  
day.

Tired, hungry and thirsty, Hos-  
kins said, "I'm glad it's over."  
Earlier he had been quoted by of-  
ficers as saying he "would not be  
taken alive."

Hoskins was arrested when Depu-  
ty Sheriff Ora Dill stopped him  
near the tiny mountain commu-  
nity of Dill. He stayed in the  
barrel of Dill's shotgun, then toss-  
ed aside his pistol and surren-  
dered.

He had been sought since he  
eluded two game rangers just be-  
fore midnight Saturday. They cap-  
tured a companion, Larry Logan,  
18, of Des Moines.

Logan and Hoskins escaped  
from the Rock Rapids jail Aug.

Logan was held on a forgery  
charge. Hoskins was awaiting  
trial in the fatal shooting of his  
estranged wife at Rock Rapids

## Pirates Turn Back Giants for 4th in Row

By ED WILKS  
Associated Press Sports Writer

Maybe these Pittsburgh Pirates aren't dead after all. Sure, they're still fourth, seven games shy of first in the National League race, but Bob Friend, the aces ace, is back in business and the Blues are blowing up a storm.

They've lost only 3 of 20 since shelving a 1-12 skid, and they've won 11 of their last 12.

After taking three of four from both Los Angeles and Milwaukee, the Pirates made it four straight Monday night, knocking off first-place San Francisco. Friend gave up a dozen hits but won his third in a row with a 6-0 decision over the Giants in the opener of a three-game series.

That ended the Giants' streak at four and trimmed their lead to 3½ games over Los Angeles. The Dodgers regained second place with an 8-2 breeze against last-place Philadelphia while the Chicago Cubs beat Milwaukee 3-0 behind Bob Anderson's sixth-inning pitching, slipping the Braves to third.

In the American League, the Chicago White Sox padded their lead to two games over idle Cleveland with a 4-2 victory over New York. Baltimore blasted the Detroit Tigers 11-0.

The Pirates got to right-hander Sam Jones (16-12) for eight of their 13 hits and the first of Rocky Nelson's two home runs for a quick 3-0 lead. A double by Don Hoak and a single by Bill Virden scored one in the second and Nelson then swatted a two-run homer in the third.

Rocky's other home run, his fifth, was off Bud Beyer, fourth Giant pitcher.

Gill Hodges drove in five runs for the Dodgers, singling home a pair in a four-run first inning and then counting three in the second with his 20th home run. Norm Larker also homered for the Dodgers, combining with Hodges for five of their nine hits.

Southpaw Stubby Koutfox (7-4) checked the Phillies on four hits. Young Bob Anderson (11-7) gained his first major league shut-out for the Cubs. He walked one and struck out five while beating Lew Burdette (17-13) for his fourth straight success.

The Cubs got six of their seven hits during Burdette's eight innings, scoring in the first on a walk, Jim Marshall's single and

an error, and making it 2-0 on Tony Taylor's seventh homer in the third. Their other run came in the eighth on singles by Cal Neenan and George Altman.

Byron Smiley, 153-pound senior

letterman, will go at quarterback and Larry Vaughn, an end, will do the punting. Tony Jones, 170-pound junior and Senior George McGill, 165 pounds, will go at center.

Guards will include Joe Matt Herndon, 153-pound senior, Junior McNatt, 160-pound junior, Johnnie Snell, 155-pound senior and Jerry Owen who is looking good in practice. Ends include Vaughn, senior letterman, Curtis Churchwell, 155-pound junior, Bobby Erwin and Larry Wallin; Tackles are senior Teddy Messer, 180-pounder, Philip Gilliam, 170-pounder, Willis Ed Sutton, 180-pound junior.

The coaches expect these to be the nucleus of this year's edition of the Bobcats. However, there are several newcomers that are shaping up real well and Coach Pierce leaves every position open to the man who can make it regardless. So it is not inconceivable that practice this week could end with some new faces in the starting eleven.

Appalachian Mountain Club teams, exhausted by a nine-hour climb, planned a new attempt to recover the bodies today, assuming fair weather.

In game birds, Arkansas is richer than most states.

## AT LEAST THEY COME TO FIGHT

## Bobcats Get Down to Rough Part of Training

With the first full week of practice just underway the Hope Bobcats get down to serious business of preparing for the opening game of the season which is at Pine Bluff on Sept. 11.

Gone are last year's "Hoses" who led the Hope eleven to its first undefeated season. But Coaches Pierce and Sevier have 11 returning lettermen — actually 10 as a shoulder injury will take Back Wayne Camp out of football. There remain only two regulars and the remaining lettermen will need experience.

The Bobcats will run in a tight senior fullback and Eddie King, 155-pound senior halfback, both are two-year lettermen, counted on heavily. Joe Duke, 145-pound junior, Larry Arnett, Ford Ward and Jimmy Lloyd, 150-pound juniors will be in action.

## Climbers Die With Rescue in Reach

FRANCONIA, N.H. (AP) — Two young climbers, trapped 2 hours on a ledge halfway up the almost perpendicular granite face of Profile Mountain, died Monday with rescue almost in reach.

The White Mountains bitter weather was too much for them. Clad only in light cotton trousers and shirts, they had endured numbing 38-degree cold overnight, the soaking of a driving rain, borne on 30-mile winds, and thick fog.

Appalachian Mountain Club teams, exhausted by a nine-hour climb, planned a new attempt to recover the bodies today, assuming fair weather.

## Aparicio Stars as Chisox Add to Loop Lead

By ED WILKS  
Associated Press Sports Writer

Luis Aparicio of the Chicago White Sox has put away 42 stolen bases—the top total in the majors in 15 years—on 52 tries.

A cinch for his fourth straight stolen base title, Aparicio was at his usual best Monday, stealing a walk and then scoring on an infield single for an extra cushion as the White Sox beat New York 4-2 and padded their American League lead to two games over the idle Cleveland.

Baltimore regained fourth place from Detroit in the only other AL game scheduled, rapping the Tigers 11-0 as Gus Triandos walloped a pair of homers and drove in seven runs.

In the National League, Pittsburgh smacked San Francisco 6-0, Los Angeles beat Philadelphia 5-2, and the Chicago Cubs defeated Milwaukee 6-0.

The White Sox broke a 1-1 tie and handed Don Larsen (6-7) his sixth straight defeat when Aparicio collected a pop-fly double in the third inning and scored on Jim Landis' single. Landis scored the clincher in the fifth with a two-out single ahead of Sherman Lollar's double for a 3-1 lead.

Reliever Turk Lown then came on and blanked the Yankees on three hits over the last 3 1-3 innings, saving it for Ray Moore (3-6).

Aparicio scored on a Landis single in the seventh after his two steals.

With Triandos blasting, Hoyt Wilhelm (10-8) won his third in a row for the Orioles. The knuckleballer, right-hander, backed by Triandos' homers in five of his victories, finally gave in to the heat, however, after walking only one and giving up just four hits through eight innings. Jack Fisher pitched the ninth.

Triandos, who had two singles in addition to his 24th and 25th home runs, singled home two runs in the third for a 3-0 lead against loser Don Mossi (11-8), then blasted a grand slam in a six-run fourth against reliever Ray Narveski. His other homer, a two-run shot, came in the sixth against Jim Stump.

## Johansson, Patterson Fight 1960

COTEBORG, Sweden (AP)—Ingemar Johansson, world's heavyweight champion, signed a new contract today with the Rosen-sohn Enterprises, postponing the return match between Johansson and Floyd Patterson until "sometime between March 1 and June 15 next year."

The revised contract, agreed on after three days of negotiations between the champion and his Swedish advisers and a six-man American delegation headed by Jack Dempsey, gave no definite date or site for the return match. The contract left it up to the promoter to chore the site and date.

## Two Railways Seek to Close Stations

LITTLE ROCK (AP) — The Arkansas Commerce Commission has set hearing dates on the requests of two railroads to close stations in Arkansas.

Price Railroad seeks to shut down its station at Winslow in Washington County, on the route from Monette, Mo. to the Red River. A hearing on this was set Sept. 11.

The Cotton Belt Railroad asked permission to close its agency station and depot at Fisher in Poinsett County. The hearing date is Sept. 8.

Both firms said dwindling business at the stations prompted the requests.
